

Pray for us as we seek justice & show mercy in Jesus' name.

Pray for the little children and those who care for them

Give thanks and praise for continued healing for Mary, the Director at our Campbelltown Children's Service, please also pray for her future treatment. Please continue to pray for protection against colds and flu in the children and their families and for wisdom for parents as they juggle many competing demands. Please pray for the provision of funding for speech therapy at the Tregear and Hawkesbury Preschools.

Pray for Morris

Pray for Morris Key, our Senior Chaplain who will leave Jericho Road at the end of the year to take up an exciting new role in Indonesia. Please pray for Morris and his wife as they prepare to leave Australia as missionaries – there is much to organise, meetings and interviews to attend and details to sort out. Thank God for Morris' many years of service with us.

Pray for those seeking to learn more about how to care for those in pain

Praise God that the first Semester of the Clinical Pastoral Education Programme has almost finished. Pray for Morris as he completes the necessary report and paperwork, and pray for the CPE Students as they go out to put their study into practice. Please pray also for the second semester of CPE which will begin in July. July also sees the start of the Moore College course that Morris will be teaching, please pray for him as he prepares this work and for the 26 students who will take the course.

Pray for our future

Thank God for the support received and continue to pray that God would provide for us as we seek out the most vulnerable and show them his love in their time of need.

Pray for those who are poor in spirit

Pray for those who because of their circumstances find it hard to look to God for strength and comfort. Pray for those who are poor, who are hungry, who are desperate, who are lonely, who are grieving and who are lost. Pray that God's people would seek them out and tell them again the good news of Jesus.

Pray for those we want to include in our churches

Pray for Jason as he continues his work as our Disability Advocate. Pray for him as he travels to Melbourne for a conference. Pray for him as he meets with folk in Albury and Wagga Wagga and continues to run the Luke14 programme in Gosford. Pray that together we can encourage, equip and inspire our churches to be "disability confident."

Pray for those in times of trouble

Praise God for the care and insight of the Presbyterian Counselling Service counsellors. Thank Him for their skills and their reliance on Him. Pray for those seeking help that they would find comfort, reassurance and wisdom. Pray that through our counselling service God would work to bring healing, restoration and health to those in times of trouble.

Pray for those in prison

Give thanks to God for the opportunity to meet prisoners who are open to exploring new life in the Lord Jesus. Give thanks to God for Kairos and Prison fellowship two organisations who have been allowed by NSW Corrections to work alongside prison chaplains in bringing hope to those inmates who feel they have no hope. Prayer for those inmates who feel abandoned by society. May they find true companionship in the Lord Jesus.

Prayer for those inmates who are struggling with addiction issues. May current rehabilitative programs run by NSW corrections help those inmates find ways to address their addiction issues. May God give wisdom to those staff who run these programs to deliver them in a manner that targets the issues that need to be explored and addressed.

Pray for Allowah

Praise God for his continued goodness in the work at Allowah. Praise God for the Early Intervention Service being approved as an authorised service for Better Start funding. Praise God for our Chaplain, Rhonda Daley's faithful witness to children, families and staff at Allowah.

Praise God for the support of the Rosalind E Nicholson Trust in providing funds for the purchase and redevelopment of 2 Perry Street. Pray that Allowah will be able to grow its influence in the disability sector as a place of excellence and where true Christian care is given and received. Pray that we will be able to redevelop 2 Perry Street as a beautiful home where young people can live with dignity and respect. Pray that the additional funds needed to complete the redevelopment of 2 Perry Street would be found and that God would touch the hearts of His people to prayerfully and financially support the new family group home, the Early Intervention Service and the hospital itself.

Pray for the children of our nation

Pray for children whose parents are struggling to care for them, that they would find strength and love in others around them. Pray for children who cannot live with their family, that they would be safe and treasured by others. Pray for children who live in strong families that they would be generous and compassionate. Pray for children who are ostracised or bullied, that they would find refuge and a trusted person to talk to. Pray for parents that they would have wisdom. Pray for early childhood educators and teachers and doctors and social workers and counsellors and others who care for children who are at risk, that they might be wise and loving and kind. Pray for the children in our churches, that they may grow to know and love the Lord their God and live to bring him glory.
